What A Difference A Day Makes

On Monday we e-mailed jokes.
On Tuesday we did not.
On Monday we thought that we were secure.
On Tuesday we learned better.
On Monday we were talking about heroes as being athletes.
On Tuesday we relearned who our heroes are.
On Monday we were irritated that our rebate checks had not arrived.
On Tuesday we gave money away to people we had never met.
On Monday there were people fighting against praying in schools.
On Tuesday you would have been hard pressed to find a school where someone was not praying.
On Monday people argued with their kids about picking up their room.
On Tuesday the same people could not get home fast enough to hug their kids.
On Monday people were upset that they had to wait 6 minutes in a fast food drive – through line.
On Tuesday people didn't care about waiting up to 6 hours to give blood for the dying.
On Monday we waved our flags signifying our cultural diversity.
On Tuesday we waved only the American flag.
On Monday there were people trying to separate each other by race, sex, color and creed.
On Tuesday they were all holding hands.
On Monday we were men or women, black or white, old or young, rich or poor, gay or straight, Christian or non-Christian.
On Tuesday we were Americans.
On Monday politicians argued about budget surpluses.
On Tuesday grief stricken they sang "God Bless America."
On Monday the President was going to Florida to read to children.
On Tuesday he returned to Washington to protect our children.
On Monday we had families.
On Tuesday we had orphans.
On Monday people went to work as usual.
On Tuesday they did not.
On Monday people were fighting the 10 commandments on government property.
On Tuesday the same people all said "God help us all" while thinking "Thou shall not kill."

It is sadly ironic how it takes horrific events to place things into perspective, but it has. The lessons learned this week, the things we have taken for granted, the things that have been forgotten or overlooked, hopefully will never be forgotten again.

Are You Living With, Or Worried About Someone Suffering With Chronic Back Pain?

By Leading Back Pain Expert, Todd James

Do you, or someone you love, suffer with back pain? Does the pain get worse when you stand or walk? Do you experience pain, numbness or tingling into your butt or down your leg? Do you have pain when you sit for long periods or drive? Are you afraid your pain will get worse if you don't do anything about it? Has the pain gotten so bad, that you avoid many activities that you used to enjoy?

If you are 55+ and answered YES to any of these questions, then please read on because I have some special information about relief of your back pain.

It's a shame so many people think their options for dealing with back pain are rest, pain killers, or maybe worse, injections or even surgery. Often these solutions are only

temporary, because they don't address the true cause of your back pain, but just mask the symptoms. Others believe there is nothing that can be done, and they will just have to suffer through the pain.

If you or someone you love is experiencing back pain and are wondering if you are doing the right things for your back, I would like to offer a free guide I have created to answer those questions. In this guide, **Erasing Back Pain: How to Avoid the 9 Most Painful Mistakes and What You Should Be Doing Instead**, you will find information about what will not help ease your back pain and how to make the right choices to get you out of back pain and on the road to enjoying an active, healthy lifestyle again.

I'm Todd James, Physical Therapist and I have been helping 1000s of people 55+ over the last 2

decades find quick, natural, long lasting relief from back pain. I've put together this guide because in easing your back pain it's not just about doing the right things, but also about avoiding the wrong things. When you choose the right path, your recovery from back pain will be much more effective.

If you are currently held back from getting a good night's sleep, being able to walk with friends, getting out on the golf course, or playing with the grand-kids, I invite you to visit www.coconutcreektherapy.com/backpain to claim your free guide. If you prefer, give us a call at 954-972-1200 and we'll be happy to assist you.

Don't let back pain take the joy out of your life. Get started on your path to a pain free active life!

HABLO ESPANOL!

IN REMEMBRANCE OF 9/11

On this solemn day, we honor the lives lost on September 11, the families forever changed and the enduring impact on our nation. We reflect on the courage of the first responders who ran toward danger, the resilience of our communities and the unity that emerged in the face of tragedy. The heroes who sacrificed, the loved ones they left behind and the promise to never forget remain etched in our memory.
